** We will use this number to confirm service.

CLEANOUT DEPOSIT - \$249.00

UPGRADE YOUR FEATURE WITH THESE GREAT TOOLS:

- ☐ **Smart Pond Dosing System XT** – The Smart Pond Dosing System XT is an electronically operated dispenser that accurately and consistently applies specially formulated water treatments, eliminating the guesswork of routine and manually adding treatments.
- ☐ **IonGen System** – Tired of dealing with unsightly string algae on your waterfall? The IonGen System effectively controls string algae eliminates the need to use traditional algaecides.
- ☐ **Aeration System** – Pond aeration systems oxygenate your pond, helping create a more stable environment, resulting in healthier fish and plants. Call to see what size system is right for your pond!

Let us know if you would like pricing on any of these products!

Spring Cleanout Charges:

Spring Cleanout Service Fee: \$249.00

Labor Charge Per Man Hour: \$159.00

SPECIAL INSTRUCTIONS:

REMINDER - Please ensure that a water source is available, pump is available and the electric is on!

WAIVER

I agree to the terms of this cleanout and do not hold Meyer Aquascapes, Inc. responsible for the health of my fish. I have read the statement and agree that Meyer Aquascapes, Inc. assumes no responsibility for any issues/problems that cannot be directly related to negligence on the part of our service professionals. This includes, but is not limited to, leaks, pump failures, electrical issues, etc. I understand that the plants will be divided, as needed.

I understand and agree to the Spring Cleanout charges. All muck, debris and plant material removed from the feature will be left on-site. If this material needs to be hauled away, there will be an additional removal fee.
